Number Formation Patters

Number	Formation Patter
0	All the way around we go. That's the way we form zero.
1	Race down the line. Now you've won! That's the way we form a one.
2	Half a heart, then to the right is your clue. That's the way we form a two.
3	Backwards c, backwards c, that's the way we form a three.
4	Down, across, then down some more. That's the way we form a four.
5	Buzz down the line and around the hive, then across the top. That's the way we form a five.
6	Around in a curve, add a loop to the mix. That's the way we form a six.
7	A line across first, a line down second. That's the way we form a seven.
8	Draw an 's', join it up curved – not straight! That's the way we form an eight.
9	Around in a loop, then straight down the line. That's the way we form a nine.
