	This focuses on establishing a constructive learning environment based on principles from previous years. Pants' rule, E-safety	This focuses on how to develop responsibility for being safe in various situations. Pupils explore how to identify and manage risk.	This focuses on exploring choices that have to be made regarding money, developing concepts of saving, budgeting and earning money.	This focuses on dealing with sensitive issues such as loss, self-image, stereotyping and media influence. It looks at choices people make and their consequences.	This focuses on managing risk and building resilience as well making choices and decisions around drugs and work/life balance.	This focuses on exploring transition to secondary school and the thoughts and feelings that accompany change. Pupils reflect on their achievements and plan their 'legacy'.
Wellbeing Framework	Self Belief Growth Mindset Self regulation Independence Motivation	Focus Compassion Anger management Calming strategies- MIP, mind ful	Coping Strategies Self-Control Support Network	Balance Hobbies	Aspirations Life journey Transition	Recap on wellbeing through reflection and making a transition guide to take to secondary school of learning from framework
